Classic Bike Meters

Dear Valued Customer,

Thank you for choosing my services to handle your precious instruments!
I understand the importance of your gauges and want to ensure their safe journey to me.

Before shipping, please reach out to me so I can guide you through the process and address any specific concerns you may have. Your satisfaction is my top priority!

Follow these simple steps for a secure instrument delivery:

1. **Prepare Your Instruments:**
   - Wrap gauges without lighting and mounting gear separately.
   - Place them in a sturdy box, dials facing up.
2. **Secure Packaging:**
   - Prevent the instruments from sliding inside the box with proper packing.
   - Fill in the attached Form on page 2, and include it in the box.
3. **Seal & Mark:**
   - Close securely with tape.
   - Mark "This side up" and add "fragile/do not drop" signs that are on page 3
4. **Shipping:**
   - Choose a shipping agent that provides at least Track & Trace.
   - When shipping from outside the EU contact me first so I can help you follow the correct procedures.
   - Fill in my Contact Details:
